
Media Release – 1 December 2019

Vodafone Idea announces new prepaid tariffs

Vodafone Idea Limited (VIL), India's leading telecom service provider, today announced new tariffs/plans for its prepaid products and services. New plans will be available across India starting 00:00 hours of 3 December 2019.

In line with its commitment to provide customers with simple, convenient and affordable products, VIL has curated an optimum range of feature rich plans for both voice and data. Customers can avail their benefits by just selecting the plan best suited to their specific needs and continue to enjoy seamless connectivity across India.

VIL continues to actively invest in building digital infrastructure by embedding new age technologies to make its network future-fit. Building on its largest spectrum footprint and by accelerating its network integration, VIL is speedily expanding both its coverage and capacity and is well on track to offer 4G services to 1 billion Indian citizens by March 2020.

It remains committed to play its role in actualizing the vision of Digital India by offering world class digital experiences to cater to the evolving needs of its over 300 million customers.
